

## Tutorial Express sobre Wizard

1. Vamos al sitio: <http://wizard.4teachers.org/> y hacemos clic en “Start a new worksheet”

The screenshot shows the homepage of the Web Worksheet Wizard. At the top, it says "Powered by 4Teachers.org" and "4Teacher Tools". The main heading is "Web Worksheet Wizard" with the tagline "Creating Web Pages for Classroom Innovation". There are navigation links for Home, New, Open, Update, and Search. The page is divided into several sections: "Find A Worksheet" with sub-sections for "Open a Worksheet" (ID and GO), "Update a Worksheet" (ID, Password, and GO), and "Search for Other Worksheets" (Keyword and GO). A "Start a New Worksheet" section lists six steps: 1. User Information, 2. Header and Body Layout, 3. Page Content, 4. Links and Image, 5. Fonts and Colors, and 6. Description, Subject, and Grade. A "Start a New Worksheet >" link is provided. The footer includes "4teachers.org" and copyright information for 2007-2008.

Luego....

The screenshot shows the "Web Worksheet Wizard Introduction" page. It features the same header and navigation as the previous page. The main heading is "Web Worksheet Wizard Introduction". The text explains that before starting, users should gather information for their worksheet's content. It lists the same six steps as the previous page: 1. User Information, 2. Header and Body Layout, 3. Page Content, 4. Links and Image, 5. Fonts and Colors, and 6. Description, Subject, and Grade. A "Begin" button with a right-pointing arrow is centered on the page. The footer is identical to the previous page.

Begin y rellenamos información personal

---

**Web Worksheet Wizard Step 1: Personal Information**

**Your Name:** *Required*

In the space below, please enter your name.  
*Note: All personal information will be kept confidential and will be used only for the purposes of maintaining this website.*

---

**E-mail Address:** *Required*

In the space below, please enter an e-mail address where you can be contacted.  
*Note: All personal information will be kept confidential and will be used only for the purposes of maintaining this website.*

Include e-mail address on worksheet

---

**Password:** *Required*

Please enter a password so you can edit your worksheet later.  
*Note: Passwords must be 5-10 characters long.*

Please re-enter your password for confirmation.

---

**Area Code:** *Required*

In the space below, please enter your area code.  
*Note: This is for statistical purposes only.*

---

Note: By clicking the "Preview" Button, a new window will appear with the worksheet in progress. When done viewing it, close the window, and you will be returned to the Wizard.

Añado urls de los sitios que me interesan, así como una imagen y lo que esta contiene...

<p>1. Link: <input type="text" value="UNED"/>          URL: <input type="text" value="http://www.uned.es"/></p> <p>2. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>3. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>4. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>5. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>6. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>7. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>8. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p>	<p>9. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>10. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>11. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>12. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>13. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>14. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>15. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p> <p>16. Link: <input type="text"/>          URL: <input type="text" value="http://"/></p>
---	--

Note: You must have "http://" in front of every URL added to your worksheet. Failure to do so would result in a broken link. If cutting and pasting URLs, be sure to not add "http://" twice.

---

**Image:** *Optional*

You may enter an image file to enhance your worksheet. Your image file must be either a gif or a jpeg.  
*Note: Be sure to include the proper file extension ("gif", "jpeg", or ".jpg") before you press the "next" button.*

Please select an image for your worksheet.  
 Current File: 15x15\_verde.jpg

---

**Image Caption:** *Optional*

Please enter a caption for your image.  
*Note: If this is a copyrighted image, you MUST include its citation information in the caption.*

Elijo colores para el texto, vínculos, etc...

### Web Worksheet Wizard Step 5: Fonts and Colors

**Fonts:** Required

We have provided some default font values are highly recommended. However, you may change these values below to create a more dynamic worksheet, or assist those with vision problems.

Header Font:

Sub-Header Font:

Body Font:

Links Font:

Arial, **Arial Black**, Comic Sans MS, Courier, Brev, Georgia, **Impact**, Times New Roman, Trebuchet MS, Verdana

Size 0 Size 1 Size 2 Size 3 **Size 4** Size 5 Size 6 **Size 7**

---

**Colors:** Required

We have now taken the guesswork out of picking the right colors. Simply select a background color from the drop down and click apply scheme. This will set the values in the table below to values that look visually appealing. If you do not wish to use this feature, or you wish to change any of the preset colors, simply click on the circle corresponding to the proper color in the table below.

Preset Color Schemes:

	Background	Text	Link Unvisited	Link Visited
White	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Black	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Red	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Blue	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Yellow	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Orange	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Purple	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Green	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Grey	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pink	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Light Yellow	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
AliceBlue	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Honeydew	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Beige	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Indico información sobre los estudiantes para quien va dirigida la webtask:

**Previous Steps:**

- Step 1: User Information
- Step 2: Page Content
- Step 3: Links and Image
- Step 4: Header and Body Layout
- Step 5: Fonts and Colors

---

**Worksheet Keywords:** Required

Please enter keywords for your worksheet to appear when others search for worksheets:

---

**Subject:** Required

Please select a subject for your worksheet:

---

**Grade Level:** Required

Please select a grade level for your worksheet:

---

**Description:** Optional

Please enter a description to appear when others search for worksheets:

Note: Description must not exceed 450 characters.

---

Y al hacer clic en “finish”....
